

## SPECIALIZED 2-ROLL URETHANE CONE ROLL SYSTEM

*Make Perfect Cone Shaped  
Parts in a Single Pass*

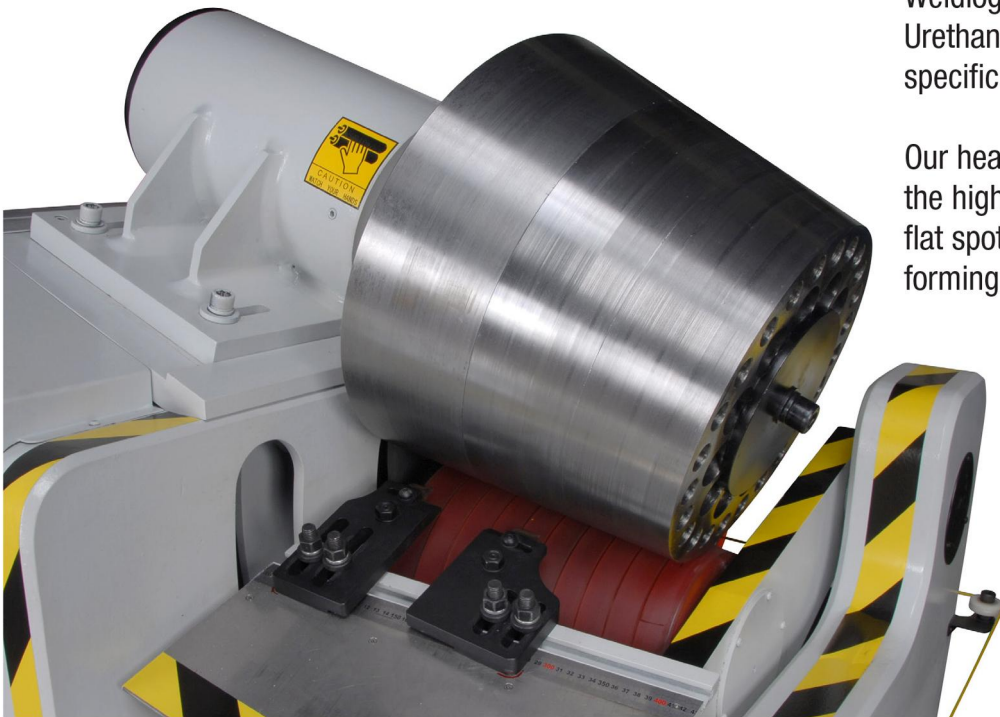

*Interchangeable  
Mandrels*

Weldlogic custom designs and builds 2-Roll Urethane cone forming solutions to meet your specific requirements.

Our heavy duty hydraulic design produces the highest quality cones with virtually no flat spots, ideal for solid or perforated cone forming.

We develop the forming mandrels and process to offer you a cone forming solution ready for production upon delivery.

Contact us to discuss your specific needs.
